Official Selection SCFF

'Spaceman' Indie Short Film (15min)
Director, Writer, Editor, Props & Set Construction

"In his work as a filmmaker, Jono Schaferkotter loves nothing more than to blur the distinctions between genres... He's taking that same approach to his career."
- Wallace Baine (SC Magazine)

"The latest short from local filmmaker Jono Schaferkotter is an intimate, existential, space-romance drifting around weightlessly before plummeting into a dramatic crash landing right into the hearts of its spectators."
- Brian Echon (SC GoodTimes)
